

Wayne County Four Star Health

Now
Even More
Affordable

“Same Great Health Coverage. Even more Affordable.”

Yes, the rates went down. Same quality. Same great service.
Same coverage area. Same participating hospitals.
Same reasonable copays. Same prescription program.
Same great coverage. Just lower costs.

Not long ago, Wayne County, the four largest health organizations in the area, and Alliance Health and Life (AHL), came together and formed a new community based employee health coverage program to assist the mid and lower income working residents of the county.

Everyone worked together to create a nonprofit fund to help offset the employee and employer costs of the coverage.

Reduced cost schedules for medical services were established to help the coverage work harder.

Rates were established that were both affordable, yet kept the program funded.

Wayne County Four Star began with a handful of small business owners that needed a new way to provide health coverage to their employees. They began to notice the covered employees valued their jobs more, were healthier, and that affected the employers bottom line.

They recommended it to other businesses.

Now it's ready for your company. Check www.waynecountyfourstar.org for qualification guidelines or call 866-780-6655.

Employee Coverage Benefits that include:

- Primary care office visits
- Maternity care
- Prescription drugs
- Specialist office visits
- Outpatient behavioral visits
- Outpatient services
- Inpatient hospitalization
- Urgent care center visits
- Emergency room visits
- Home care visits
- Lab and x-ray services

Dear Employer:

We are happy to inform you that effective with the April, 2010 billing period, the costs for both employer and employee participation in the Wayne County Four Star Health program will decrease to \$60.00 per employee and a \$60.00 matching contribution by the employer for each participant.

This unprecedented rate decrease is due to continued growth of the program, as well as the continuation of reduced fees from the four major health organizations, including Detroit Medical Center, Henry Ford, Oakwood, and St. John Health.

Your continued support of Wayne County Four Star Health is appreciated, and rest assured that we will continue to provide the most affordable coverage possible. We are pleased that Four Star Health is growing and helping more of our neighbors and businesses than ever before.

“Community Based Health Coverage is Working.”

In a time when every dollar counts, Wayne County Four Star Health has lowered participant costs for 2010 without reducing the benefits delivered.

The active partnership of county government and the four local major health organizations, along with the support of employer and employee participants

throughout the county has succeeded in providing affordable health coverage.
